

President's Message

Hello to All:

This year is an exciting year. Thanks to all of you, there are more rides on the calendar than ever before, and with your help this will continue to grow. I encourage you folks to step up to the plate and lead a ride. If you are uncertain of what is required to lead a ride, please contact the Ride Directors. They will be happy to fill you in on the do's and don'ts of leading a ride.

Have you been pondering leading a ride on a day or time that is not usually offered? The posted rides can be flexible. Perhaps an after work ride; a weekend ride, etc., and remember as the leader, you get to choose a pace. All rides are welcome.

For some, the hardest part of leading a ride is choosing a ride that you want to lead. Are you familiar with a particular area? Lead a ride there. The Ride Directors have some cue sheets that might be of assistance to you as well, and in the future, SCCC will be posting ride cue sheets on the web to make that decision a little easier, and remember you are among friends. Be patient, this is in the beginning of its development. There are ride leader forms on the web at this time. Check it out.

Perhaps you are not comfortable in leading a ride, but would like to

assist in doing so. Again, contact our Ride Directors. They can direct you to a ride leader who is already signed up to lead a ride. You can contact that person and ask them if you can assist on their ride. Or, you can show up at a ride and talk to the ride leader about assisting that day.

Interested in a Ride Leader class, contact me via email or telephone. I will make the appropriate arrangements if enough people are interested. Again, thank you for your support. You folks are great! We have a great club, let's build on it.

See you on the road.

Linda Correia

Join the 'Challenge' Team!

On August 2 our club holds its ONE AND ONLY fundraising event of the year: The Santa Cruz Mountains Challenge.

Janet Fogel and Jim Keenan are co-directing this event, and most of the key players are returning again - some bearing gifts.

Scott Campbell brought to our first meeting a beautiful new logo - designed by one of his co-workers. This year's t-shirts will be hot items, for sure. You can see the design on the flyer, along with the logos of all the sponsors that Anita Dyer hussled up for us.

Herb Greenfield is in the process of crafting 61 road barriers out

of PVC and composition board. He brought 24 to the last board meeting and they are now stored in our roomy storage locker! Herb and his wife Nancy manage the Camp Evers lunch stop for the metric century riders.

Tina Ensign, Barbara Kilduff, Steph Keenan and the SCCC Race Team are all back to manage their rest stops. And we will again count on Larry Poretz to head up our SAG this year. Martha Bedal continues to take charge of t-shirts and patches.

Some new people taking leads are Richard Bedal, who will coordinate on site registration, and Eva Brunner who will manage the registration data base.

We've joined forces with Cyclists for Cultural Exchange and Santa Cruz Aids Project to share resources and do some combined marketing. Our goal is to reach 500 participants this year.

We're also thinking about adding some live music to the lunch stops. If you know any local musicians who might like an outdoor gig on August 2, let Janet or Jim know.

We'll need volunteers for registration, SAG, rest stop help, lunch service and more. Be a part of the fun, help your club and get a free t-shirt! For more information, contact the Century Director at santacruzcycling.org.

GOOD KARMA KID TO DO AIDS RIDE IN JUNE – BRAXTON ALSIP

Age: Braxton is our youngest SCCCC member and rides with his mom, Mary Alsip. Braxton's a mere high school student at Santa Cruz High, however, he already wears a size 13 shoe, a clear foreshadowing of a focused young man who will definitely make his mark in life. He makes a terrific impression on those who meet him and so I conducted this brief interview.

Born: Santa Cruz

Intro to Biking: Mom bought him a bike at age two and he's been riding ever since. While riding with his mom when he was 8 or 9, she was his first coach and would tap him on the head when passing him (always in a fun way) to inspire him to ride faster. It worked – by age 10 he surpassed her! His bike ownership has been eventful. He owns a mountain bike that was stolen and returned one year later (good karma), he won a BMX trick bike (more good karma), and he just got a great deal on an IONIC aluminum road bike, bright orange, which he'll ride to Los Angeles (you get the idea.)

AIDS Ride: Braxton saw the flyer for the ride and the idea started to get into his brain, tick, tick, tick. He sent out 100 fund-raising letters with his picture and made his goal easily. He's ready for a challenge and is open to fun and personal enlightenment through the experience.

Biggest Adventure: Doing the AIDS ride will be his biggest adventure.

Hobbies: Braxton participates in water polo through Soquel High.

Girlfriend: Don't even think about it, ladies, YES, he has a girlfriend and he describes her as beautiful, funny and intelligent.

Fantasy Career: Designing cars and performance parts for engines.

Fave Movie: The Fast and the Furious (I think it has something to do with fast cars.)

Favorite Coffeeshop: Too young to have one. (I predict he will be too sensible to drink coffee.)

Person, that Braxton would most like to meet and converse with: Car people, Enzo Ferrari, and Carroll Shelby (started Shelby motors and made the Cobra).

HELP WANTED

The club is seeking someone to take on the responsibility of Clothier. The duties are described in the Board meeting minutes. Sharon Curtaz (464-2350) and Justine Heaton (247-5640) have volunteered to be contacts for anyone interested.

Strawberry Fields Forever

Spring is on the way, and the farmers are in the strawberry fields. Strawberry Fields Forever XIV (SFF) is on its way, too. As always, the third Sunday in May. This year it's the 18th. SFF features three routes of 100 mi., 100 km, and 25 mi. through scenic Santa Cruz County. Great food, great rides, and good company. Rest stops will have an international flavor reflecting the numerous exchange programs we've done with other countries.

Strawberries with whipped cream and chocolate, music and a meal at the finish. Drawing for some great prizes, snacks and lunch along the way. The rides start between 7:00A.M. and 10:00A.M. at Aptos High School, Freedom Blvd. and Highway 1 in Aptos, CA. This year registration is \$35 and includes your event t-shirt. Santa Cruz County Cycling Club members receive a \$10 discount on the entry fee and ride for free if they volunteer to help with the event. Discounts are also available to AIDS and Leukemia Team-in-Training riders. Registration is limited to 750 participants and the registration deadline is May 7.

Proceeds will benefit Cyclists for Cultural Exchange, a program of people-to-people diplomacy with other countries. This year GCE has invited bicyclists from Italy, Ukraine, Nicaragua, Russia, Japan, New Zealand and Cuba to participate in a two-week program in California. Our guests will stay in people's homes, work as volunteers at SFF, and do a tour in Northern California. Buy a tire, get tofu

Eugene (AP) -- Every year, the Les Schwab tire store chain runs a promotion for free beef with a tire purchase, and bicycle shop owner Paul Nicholson matches it with a pound of free tofu with the purchase of a new bicycle tire.

Nicholson, a former Eugene city councilor and owner of Paul's Bicycle Way of Life, has been running the tofu ad on TV every March for about 10 years to spoof the annual Les Schwab beef giveaway in February.

Nicholson wears a cowboy hat in his TV ad, like tire king Schwab, but says he's amazed at how many people have not notice the joke -- it was even news to Schwab himself.

"'Toe food,' what the hell is that?" the 85-year-old Schwab said in a telephone interview from his Prineville office. "I've never heard of it."

Nicholson described tofu as "fermented bean curd."

The description amused Jim Bowler, 31, a customer at one of Nicholson's bike shops: "That'd scare off any real cowboy."

Schwab said he started his annual beef giveaway promotion about 40 years ago to try to get ranchers in Central Oregon to buy his tires. Each February, all Les Schwab stores have a freezer on hand where customers who buy two or more tires can select their choice of meat.

Does it increase business?

"Who knows?" Nicholson said. "But one thing's for sure, it's one of our more memorable ad campaigns. People always mention it."

- Brent and David to continue discussion with race team and bring list of expectations back to board with any suggested edits.

Social

- Discuss possibility of July tree pruning party and ride to the Andreason's Xmas tree farm in Bonny Doon. July 19 date has been chosen.

Event Promotion/Advertising

- Should we have a booth at the Great Western Bicycle Rally? Or develop handouts. Yes, Linda and Frank to work on postcard and distribution.
- Add Colleges to Newsletters distribution list.
- Pedaling.com offers services on their website. They would like to exchange links w/ SCCCC (post our link on their resource page for CA and post their link on ours and/or blurb in our newsletter) Possibility? Only if Club agrees to this.
- James Buchner is developing travel sites here in the USA. He has space available on his

links page for approx. 10 different local links. All he asks is for a return link from each organization back to his home page. Tim indicated we could get extra hits for the 3 centuries and attendees could get help finding. Board decided No on this because it's a maintenance challenge.

- Board reviewed ad sizes/prices for Santa Cruz HS Cardinals '03 Fall Football Poster. Our ad could appear on 1,000 wall posters distributed throughout community/campus. Board decided not to advertise this way because ad gets lost in the busy-ness of the poster. Not effective use of Ad funds.

Newsletter

Board agreed to add race team's own page with names, titles, schedule of training rides, sponsors, and racer's stats on races participated in. David to get info to Scott for newsletter.

SCCCC Board Meeting

March 10, 2003

Attendees: Chris Boman, Scott Campbell, Linda Correia, Sharon Curtaz, Janet Fogel, Herb Greenfield, Justine Heaton, Frank Pritchard, Kathy Watson

Club Clothier: Scott will write an article regarding this job for the newsletter.

Race Team Protocol and clothing balance:

Concern expressed that lack of resolution on these items may create some division between race team and general membership. Justine will set up a meeting so that she, David and Brent can meet with three other members of the board

(Linda, Scott, Janet) to come to agreements about the balance due, and the race team protocol with the club. This "joint meeting" is tentatively scheduled.

Web Site Calendar

Concern expressed that updates on website not happening. The calendar, to which Herb has access, is the most reliable now for long distance updates. Linda will talk to Tim about making timely updates.

Tree Pruning Party

The July 19th tree pruning party is confirmed. Frank will include details in the July newsletter.

New Super Tour This Year

For 2003 we are abandoning the tradition of camping and 100 mile days to have more time to explore a new region.

This year the trip will be heading east to the province of Quebec, Canada. It is a 14 day tour, covering about 1000 miles (daily mileage ranges from 50 to 90 with an average of 70) and will be held from Aug. 2 through Aug. 14. Cost is \$800 which includes nightly accommodations at motels/hotels or university dormitories, a vehicle to carry your luggage (thus you can ride with only a day pack), standard overnight train service on Le Chaleur, light breakfast, drinks and snacks at the end of each day. Other meals are at your own expense, as is transportation to and from Montreal.

The trip will start in Montreal, spend 3 days heading to Quebec, and then catch the Le Chaleur train to Grande-Riviere on the Gaspé peninsula. From there we will head back to Montreal along the St. Lawrence river.

For more details, check web site <http://super-tour.home.att.net/>.
